What will be remembered about the year 1972? The year the Trojans won the Indiana County Principal's Tournament? The year our school was evaluated by the Middle States Association?

For many, it will be the year of graduation; for some it will mark the first year of high school, and to others it may be the year of an important personal experience.

We were free to pursue our academic interests... to participate in a variety of activities... and most importantly, to be ourselves.

We were also free to express ourselves... through drama and music, be it witnessing a controversial rock opera such as Jesus Christ Superstar or performing "Oliver"... through sports, be it team competition, intramural sports, or gym classes... through our dress, be it jeans, tennis shoes, minis, or midis.

Throughout the following pages, we have attempted to show various expressions of our freedom during 1971-72...

We, the Class of 1972, Dedicate the La Saltianna

Throughout all of our lives, there have been many times when we have needed help and guidance. It was during these times that we found we could always depend on you. Whenever we have needed advice, you could always be counted on to give us wise counsel and assistance. You have taught us good citizenship, respect, and honor. You have understood, encouraged, and sacrificed generously to prepare us to take our place in the world.

For all these things we will always be grateful. With love and respect, we, the Class of 1972, dedicate the La Saltianna to you - Our Parents.

Senior

We, the Class of 1972 first entered this school in September 1966 as Seventh Graders. This first year was a hectic year because it involved learning a whole new routine of school life. With all the new teachers and classes we had little time to worry about not having our much enjoyed daily "Play Period" from grade school days. It was the year when getting to classes on time really meant something to us and we would go pushing and shoving our way through the halls amid all the angry looks from upperclassmen. For some it was the year of the "Bush" and their first year in the band. For others it was the first of their six years in sports although it was limited. Pep rallies were really new to us but after the first few we were able to catch on to the cheers and cheer right along with everyone else. The only person not to get a writing certificate was Ray Duke. Receiving the most paddles from Mr. Anderson in our Seventh Grade year was Claude Larimer with Terry Sutyak running him a close second. A day that was enjoyed by all that year was when we went back to the Willard School for a day so that the sixth grade students could visit the High School. The 7-B class performed a feat almost unheard of when they went through five homeroom teachers in one year. Probably the most important thing of that year was when it came time for us to vote for crown bearers for the freshmen class Sweater Hop which resulted with Paulette Busi and Tom Cantola representing our class. Sue Bennett was also honored that year with a first place award for a police composition.

Eighth grade finds us finally being upperclassmen to the seventh graders. It was the year our guys got more actively involved in sports and showed this as our eighth grade basketball team won the basketball tournament at Elderton. It was an exciting year for many as Carol Good received the DAR award for a history composition, Cathy White and James Resnick were presented with the American Legion Awards, and Cathy White, Cindy Pistininzi, Kathy Harris, Suzanne Lasher, Susette Lasher, and Susan Clawson became the first Saltsburg students to receive the Junior Homemaking Degree in F.H.A. It was the year when Cathy White performed the impossible by melting a pan on an electric range in Home Ec. class. 1968-69 also became the last year for Saltsburg to have a girls basketball team with Terri Kozub, Sue Clawson and Maria Julian participating on the Junior Varsity Team. Jim Resnick was the only eighth grader to play on the Freshmen Basketball Team.

Our Freshman year was a year of new adventures. It was our first year to elect officers, with the first officers being: President - Bob DelFavero, Vice President - Stan Condor, Secretary - Shirley Urban, and Treasurer - Lonnie Moore. In sports that year we again won the Elderton basketball tournament as our Freshman team defeated Elderton 55-38 and then railed on to defeat Dayton 36-30. The Junior High Record that year was eleven win and ten losses. We also had a winning season in Junior High football, winning three out of our five games. Dennis Bills was the only Freshman to participate on the Track Team. Six of our class mates, Sue Bennett, Lonnie Moore, Terri Kozub, Paulette Busi, Anita DeLuca and Kathy Rabickow were also able to participate on the Junior Varsity Cheering Squad. It was also the year when Cathy White, Suzanne Lasher, Susette Lasher, Kathy Harris, and Cindy Pistininzi were the first Saltsburg Students to receive the Chapter Homemaking Degree. The most hilarious incident of the year for the 9-A class was when a pigeon flew into the window in Room 25 and sent their homeroom teacher, Miss Weakland running and screaming out of the room. The biggest thrill of our freshman year was having our first dance, the annual Sweater Hop, which we entitled "Cupid's Carrousel." Under the supervision of Mrs. Rankin, our advisor, the following people were chosen as escorts: Paulette Busi, Colleen Forney, Beverly Hopkins, Luane Moore, Shirley Urban, Sue Clawson, Bob DelFavero, Jerry Rossi, Mike Kusma, Stan Condor, Paul Shirley and Tom Cantola. The announcers for the event were Susan Katz and Robert Jones. Although many things happened that year, we still had many things to look forward to in the upcoming years.

With our Sophomore year came many privileges. Our new class officers for 1969-70 were: President - Stan Condor, Vice President - Jerry Rossi, Secretary - Paulette Busi, and Treasurer - Tom Cantola. We had six representatives in the newly organized Student Council who were: Maria Julian, Bob DelFavero, Cathy White, Jerry Rossi, Stan Condor and Sue Clawson who also served as Treasurer that year. To us, it was the big year we had been waiting for, the year we got our class rings. It was also the year the Sophomore Class voted to change the style of rings. This was the year we really started to get involved in students activities. Kathy Harris became a majorette; Sue Clawson, Sue Bennett and Loretta Faulk became part of the Colorguard; Lonnie Moore and Paulette Busi were Varsity Cheerleaders; Cathy White and Debbie Rudolph were Junior Varsity Cheerleaders; Pat Liboski, Anita DeLuca and Bob Delfavero attended County Band and Anita DeLuca went to District Band. Along with these individual honors many of us joined clubs such as the Salt Shaker Staff, F.T.A., Senior F.H.A., F.F.A., Drama Club and G.A.A. The guys were permitted to be on the Junior Varsity Football team and they ended the year with a record of two wins and three losses. The Junior Varsity Basketball team with their Seven Super Sophomores, Paul, Gary, GIG, Dennis, Mike, Bob and Chum, ended the year with a record of 12 wins and 8 losses. Tom Brunner and Bob Jones were the only two that went out for wrestling that year. Our class dance as Sophomores, under the supervision of our advisors Mrs. Cunningham and Miss Slezak, was the Christmas Dance "Silver Bells" before which we had a contest which ended with Miss Cravotta as Queen and Mr. Curran as King. This was also the first year we took College Boards which made us really start thinking about our futures.

As Juniors we had received greater responsibilities in the school and it was our last step toward becoming Seniors. Our officers for the year 1970-71 were: President - Rudy Dobesh, Vice President - Bob Delfavero, Secretary - DiAnna Johnson and Treasurer - Lonnie Moore. Activities again this year were numerous and included the following: Salt Shaker, Varsity Club, F.T.A., F.F.A., Senior F.H.A., G.A.A., and Drama Club. There were also ten members of the class of '72 inducted into the National Honor Society and six new representatives from our class in the Student Council who were Debbie Rudolph, Bob Jones, Darlene Urban, Sue Clawson (Sec.), Cathy White (Treas.), and Rudy Dobesh (V. Pres.). In cheering, Cathy White and Sue Bennett joined Paulette and Lonnie on the Varsity cheering squad. Sue Clawson became a majorette, DiAnna Johnson became a member of the Color Guard along with Loretta Faulk, who was banner carrier. Participating in County Band that year were: Pat Liboski, Suzanne Lasher, Anita Deluca, and Bob Delfavero. The first musical in five years "Bye Bye Birdie" was held

History

our Junior year with Rudy Dobesh playing one of the lead rolls, Albert. In sports the Trojans had a fairly good year. For the basketball season the Junior Varsity finished their season with ten straight victories giving them a 15-3 record, while the Varsity didn't do as well, with a record of 8-11. This was the year when Terry Sutyak was named to the all WPIAL Section 19-B Team. In football the Junior Varsity Team ended with a record of 5-1. Honorable mention on the WPIAL Football team was given to Gary Zuchelli and he was also placed on the second team County Football. G.A.A. was really becoming active in this year not only with intramural sports but they also held two Powder Puff games, one in football and one in basketball. The football game was coached by Terry Sutyak and Gig Rossi for our Junior team and Tom Boring for the Seniors. Unfortunately the Juniors were beaten badly by the Seniors. We were also beat by the Seniors in Basketball. Among the practical jokes pulled by our class that year was locking Gig Rossi in a closet during Physics Class with Mr. Flack going through the entire class without knowing it. One of the biggest highlights of our school years was sponsoring the Junior-Senior Prom held on Friday April 23, 1971. Under the supervision of our advisor Mr. Curran, our prom entitled "Garden of Eden," was "literally" fantastic. It took a lot of work, a lot of pizzas and a lot of green toilet paper to make our prom what we felt was the best ever! After the Grand March Mr. Curran was presented with a watch by Rudy Dobesh, class president, in appreciation for all the time and effort spent in making our Prom a success. Having the after prom party on the Gateway Party Liner with the Silvermain entertaining added to all the excitement. This school year was extended far into June due to a Teachers' strike which lasted nine days. But now that our Junior year was completed we had only 180 days to go.

September 1971 came and we find ourselves being Seniors. The officers elected for our Senior year were: Rick Love - President, Bob Delfavero - Vice President, Paulette Busi - Secretary, Elaine Buczak - Treasurer. We found ourselves very busy this last year ordering Senior pictures, name cards, announcements and making those final decisions as to what school to attend after graduation. Our Student Council representatives for this year were Jerry Rossi, Debbie Rudolph, Bob Delfavero, Cathy White (Treas.), Sue Clawson (Pres.) and Paulette Busi (Sec.). Cathy was also chosen by her classmates as the D.A.R. award winner and Linda Duncan won the Better Crocker Homemaker of Tomorrow Award. District Chorus, held at Westmont Hilltop High School was attended by Rudy Dobesh while Anita DeLuca again Participated in District Band at Blairsville and Susette Lasher went to District Orchestra at Johnstown Central High School. The following people attended County Band this year; Pat Liboski, Ann Liboski, Myrtle Kelly, Susette Lasher and Susanne Lasher. F.H.A. this year sent Sue Clawson, Maria Julian and Ann Liboski to the State Farm Show in which they presented a demonstration on Fondue which earned them fifth place in the overall competition and second place in the use of electrical appliances. A State Degree in Future Homemakers was also awarded to Myrtle Kelly at the Farm Show. The year started with a winning football season with a record of 4-3-1. Although we were defeated by United at our Homecoming game, the festivities were still exciting. This year, unlike previous years, the games was held in the evening and the name of the Homecoming Queen was withheld until half-time. DiAnna Johnson was then named Queen and crowned by Mr. Sell with Paulette Busi, Sue Clawson, Anita DeLuca, and Lonnie Moore making up her court. The Queen and her court were escorted by Rick Wylie, Tom Previc, Tom Cantola, Terry Sutyak, and Randy Strong. The biggest game of the season was the Penns Manor game, which was also Senior night, when the mighty Trojans defeated the Comets by a score of 39-20. Topping off the evening was the introduction of the Senior football players and their parents at the beginning of the game and then at halftime the introduction of the Band members, Majorettes and Cheerleaders that would be performing at their last football game. Adding to this the band's presentation of a light show to the song "Superstar" from the rock opera. From our football team, Gary Zuchelli was named All-County End with Jerry Rossi, Rick Love, Stan Condor, and Terry McKnight receiving Honorable mention. After the Penns Manor game, which was the last football game on the schedule, there was still one football game to be played, only this was a different type of game. This was the game in which the girls could show their ability. Held on November 1, the G.A.A. Senior and Junior girls played in the second annual Powder Puff Football game. The Senior team was coached by Terry Sutyak and Jerry Rossi and the Junior team was coached by Terry McKnight. The announcers for the event were Ray Duke, Gary Zuchelli, and Larry Bendis. Although the game ended in a tie (0-0), the girls had a lot of muddy fun. When football ended basketball and wrestling began. The girls basketball team was finally revived by Mrs. Cunningham this year and although they didn't have a very successful year, it is hoped they will improve in future years. In boy's basketball we had a rather successful year with the team named the Indiana County Champs. As a result of these games Gerald Rossi was named most valuable player of the tournaments. Gary Zuchelli, Terry Sutyak and Gig Rossi were all three named to the All County Team. With our win over Penns Manor, the record for the highest number of points being scored in one game was changed from 116 to 120. Gig Rossi went over the 400 scoring mark to be the first to do so in 16 years. With our record of 15-7 the mighty Trojans came up with the best record since 1956. Four times this year the Big Red Machine managed to go over the 100 point mark. Penns Manor, Apollo-Ridge, Leechburg, and Dayton fell victims to the Trojan attack. The heartbreaking game of the year was when we lost to Freeport 58-54 which put us in second place in the section, where we were tied with Shannock Valley at the end of the season. This was also the year that wrestler, Tom Brunner received a second place trophy at the Elderton Christmas tournaments. The night of February 24 was a big night for some as it was the night of the Freshman Sweater Hop, "Colour My World". Sue Bennett, Colleen Forney, Beverly Hopkins, Debbie Rudolph, Cathy White, Stan Condor, Rick Love, Jerry Rossi, Paul Shirley, and Gary Zuchelli were named to the 1972 Court. Again the name of the Queen and King were kept a secret until that night when Jerry was named King and Debbie was named Queen. With the year drawing to an end everyone begins to think about all that has happened during our six years in high school. Although none of us enjoyed coming to school before 8:oo a.m., 180 days a year, we now see that it might have been worth our while. We finally realize that after June 6 we will be on our own and learning to use the knowledge we have acquired. Although some have fell with disappointment in school others found it a most rewarding part of life. A special thanks, should be given to all those teachers and parents that helped us in so many ways through our school years.

Sophomores

The Sophomores, under the leadership of President Ralph Capuzzi and direction of Mr. Theodore Gordish, have started the year by raising money for their big event, The Christmas Dance, and have ended it by getting a year's start on the preparation of next year's Prom. The Sophomore's dedication to Saltsburg High has been shown by the significance of the class ring.

Seventh And Eighth Grades

The Junior High of Saltsburg High School is welcomed by the "Upper Classmen." Being that the environment of the High School is different from that of the grade schools, it no doubt has caused the Junior High students many problems. From this experience, they will be able to help next year's Seventh and Eighth Graders to overcome.

The Varsity Club is composed of all boys who have earned a letter in either football, basketball, wrestling, or track. The Club buys jackets for senior athletes who have lettered two years in a Varsity sport. They also buy senior cheerleader jackets. This year, the Varsity Club attended a hockey game as a field trip.

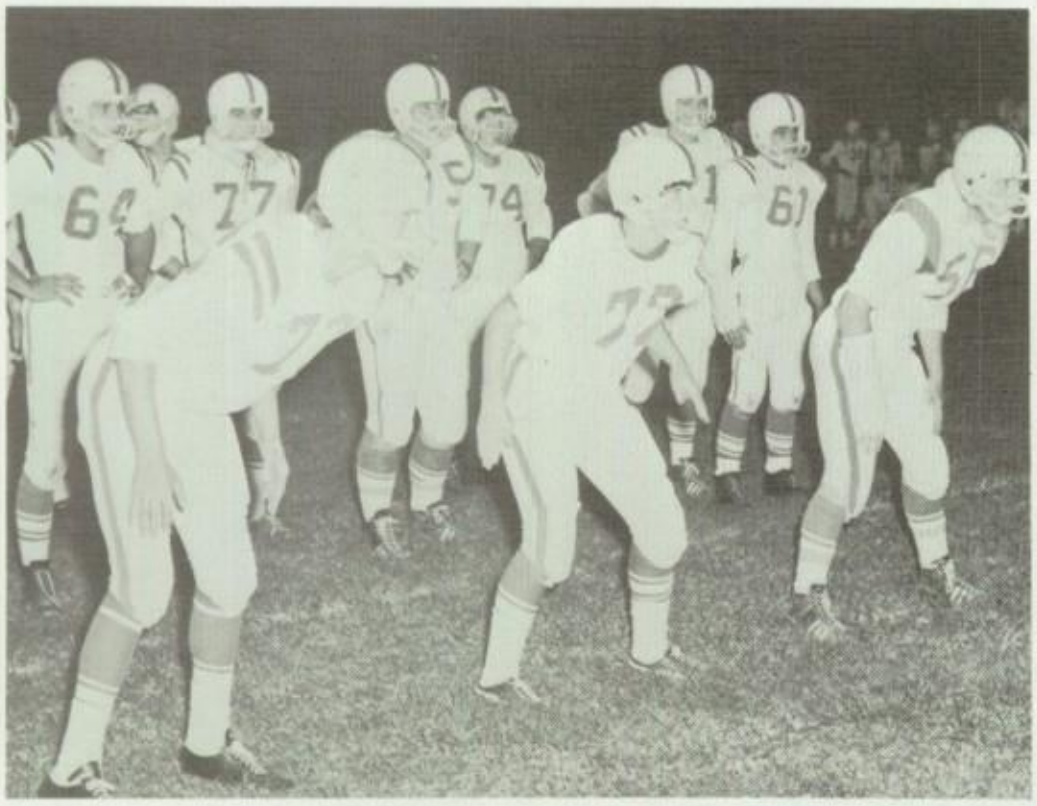
Football

Deep down in the heart of every American is one of the keenest of all human desires, the desire to win. He wants to win whether he is on the football field or on the battleground. And he puts forth every effort to achieve his goals.

The boys on our football team worked hard this year to achieve a winning season. Spirits were dampened, however, when Townville handed us a defeat in our opening game. But because the Trojans had determination and desire they steadily improved ending up with a seasons record of 4-3-1.

Gary Zuchelli was named a member of the All-County Team, with Rick Love, Gig Rossi, Stan Condor, and Terry McKnight making Honorable Mention.

First Row: B. Hanson (mgr.), J. Pless, L. Flick, G. Rossi, S. Condor, R. Love, G. Zuchelli, R. Dobesh, L. Bendis, J. Bucco, K. McKeever (Mgr.) **Second Row:** R. Pless (Mgr.), J. Kelly, J. Vatter, D. Hazlett. **Fourth Row:** Coach Shurina, Coach Sadecky, W. Dice, R. Patterson, M. Cribbs, G. Adams, D. Cribbs, J. Zuzak, G. Shaulis, Head Coach Lytle, Coach Fenoglietto.



"The 1971 Saltsburg High School football team provided the fans with many thrilling moments. Their won and lost record of 4-3-1 was odd in that they won every other game. The season started off with a couple of key injuries; one to our Senior tackle, Terry Sutyak; the other to our Junior fullback, Rodney Clawson; but the boys held together as a team and improved steadily during the year with the highlights coming with the last game in humiliating Penns Manor 39-20.

We had several outstanding ball players. Gary Zuchelli who was voted to the Indiana County All-Star Team as the starting end. Rick Love who was our bruising fullback and linebacker. Gerald Rossi and Stan Condor our passing combination. Dennis Bills our only three year letterman. Terry McKnight, Jerry Kelly, and Ray Duke the main stops of our line.

The team spirit was good along with their general attitude. It was a team that our school should be proud of."--Coach Lytle

Cheerleaders

Cheerleaders have often been called "People Pepper-Uppers," and that is exactly what our Cheerleaders have been. Summer practices set the girls off for an outstanding performance throughout the year.

Always full of pep, enthusiasm, and hope, our cheerleaders stood behind the football team, basketball team, girls basketball team and the wrestling team.

Wrestling

Wrestling is a sport designed for the student who wishes to participate in an individual sport rather than a team sport. There are twelve weight classes, ranging from 95 pounds to 250 pounds. These weight classes enable fair pairings, so that wrestlers of a certain weight will compete with other wrestlers of the same weight class.

The best wrestler of a weight class participates on Varsity and the other on the Junior Varsity team. In order for a boy to earn letter he must complete a year on the Varsity Team, wrestling in at least seven matches.

Varsity & Jr. Varsity

"The Wrestling Team has had one of its best seasons considering the tough competition which it faced. A winning season was well within the grasp of the team in spite of the competition, had injuries not influenced its outcome.

On the whole, the team had more depth than we ever had, but there is still a lack of light weights to give competition in some weight classes. A fine job was done by our Captain Richard Love and Co-Captain Tom Brunner with added help from a group of dedicated individuals.

As in the past two years a big lift was given the team at the heavy weight class where Terry McKnight went undefeated, contributing a total of 66 duel meet team points to once again lead in this department.

The experience acquired this year will greatly help the underclassmen developed into better wrestlers next year. With the growing interest and enthusiasm for the sport, the 1972-73 wrestling team promises a better and more competative season."--Coach Bortz

Basketball

In the past few years, Basketball has become one of the most popular high school sports. It is a fast moving game which requires skill, coordination, and fast thinking.

This year we have two basketball teams--boys and girls. The boys team had an excellent year placing second in the league and second in the county with an overall record of 15-7. Due to the fact that this year was the first year of the Girls team they ended the season with a 0-6 record.

Varsity & Jr. Varsity

"The 1971-72 Trojan basketball team was the best team we've had since I came to Saltsburg. Although we didn't win the Section we did win the Class B Indiana County Holiday Basketball Championship at I.U.P. We finished with a 15-7 record but, more important, we practiced together, lost together, won together, cried together, and laughed together. This family-like team played together unselfishly, confidently, and aggressively with dedication and purpose. Each member used his talents and skills effectively and productively because every player wanted the team to improve, to excel, and to win. On occasion, however, we were bitterly crushed by defeat, but there was profit in our loss because we learned how to improve our strategy, our poise, and our play for future "cliff-hangers." More often, there was joy and celebration after our games because the team wanted to show area fans that they were "The Big Red Machine." Scoring 120 points, we broke the school scoring record for a single game and scored over 100 points 4 times. We were successful and explosive because we had outstanding shooting, strong rebounding, and brilliant teamwork. These 3 ingredients for success don't just happen. It takes proper desire, co-operation, discipline, talent, and **ATTITUDE.** Next year, we hope these virtues remain so that, once again, we can continue this winning tradition. Finally, Mr. Sadecky and I extend to all the graduating senior players and Cheerleaders, who always loved and believed in us, best wishes for everlasting health and happiness."--Coach Shurina.

Winning the Indiana County Principal's Tourney was brought about by our strong team effort. Three of our players were selected to the All-Star Team. Gig Rossi voted the most valuable player of the tourney, Terry Sutyak, and Gary Zuchelli each received trophies for their individual efforts.

YEAR

Varsity & Jr. Varsity

"It was not only an exciting experience beginning a Girl's Basketball team again at Saltsburg, but it was also rewarding to find so many talented, interested and enthusiastic girls to proudly represent our school.

It is true that there were disappointments: not being admitted to the County League; uniforms that never arrived; playing experienced teams that afforded little chance of victory, and injuries.

But throughout the season the girls displayed a lot of hustle, desire, team work and good sportsmanship. They have the privilege of looking back and saying, "we did our best".

Those who will return to the team next year, and in years to come, will realize the valuable experience they gained in the initial year of girl's basketball."--Mrs.Cunningham

The G.A.A. sponsors and participates in not only the Powder Puff Football and Basketball Games, but also gives the girls here at Saltsburg a chance to develop their athletic qualities by providing intramural games at lunch time. This club provides the only form of sports available to the girls in this school other than the newly formed Girls Basketball Team.

Mrs Loth,
You are a really great
teacher. You helped me
out alot this year. I know
I'll miss you. I'll come back
to see you.
Love,
Lo

Mrs. Roth.

To a very nice + great teacher whom I have alot of respect for. I've learned alot from you + I want to thank you for everything. So "thanks". I'll come back to see you because I know that I'll miss you + everyone else. Thanks again.

Darlene

Mrs. Roth.

To one of the best teachers in this school. I am really glad to be one of your students. I learned a great deal in Shorthand + Typing. I really appreciate everything you've done for me. Best of luck

Mrs. Roth,

To a really great teacher whom I like ALOT. I've really learned a lot in your classes. I hope your homeroom next year is as nice as ours. (Just kidding) I know I'm going to miss you.

Marian

Mrs. Roth [ma'am]:

To the greatest teacher in the school. I may not be a good typer but I enjoyed your class. I know enough to get through school. I'm going to miss you but I'll write.

Love
Rick "72"

Mrs. Roth

To a fantastic typing teacher and a very dear friend. You certainly gave me a rough time always telling Ben and me to be quiet and telling me to get my manual done and threatening me with a "22". I didn't mind it. Or even the teasing you gave me. In a way I liked it. Please Keep in touch and remember me.

Your little "22"

Rudy

Mrs. Roth,

To a really good typing teachers. I'll always remember you.

Love

Lonnie

Mrs Roth,

To one of the nicest teachers around. I'll never faget all the times we had in your class and I'll always remember you. Love

Sue.
